

WILLIAM STEVENS - 18.

latter part of June or the first of July to get in touch with the fire chief to get my certificate. I went to the chief's office to get it and I think I went if I am not mistaken, I might have made the same remark to him. I simply met him as friend to friend.

Q. You given answer to my question yet? You know what day it was?

A. I got a copy of that certificate Friday morning: went to the City Clerk and County Clerk., Then went to the bank where I keep all my private papers. I did not want to lose it. I simply wanted to go and put it with my other private papers in charge of Mr. Porter who was not in and left it with some one else and they said they would take care of it for me.

Q. But you referred to some remark which you made to somebody to help you?

A. That's just the remark I spoke of.

Q. On what?

A. If they heard of anything that could give me an idea of Mr. Hall's disappearance.

Q. Tell us what you said to this fireman about this?

A. I simply said I have had trouble in our home, if you could possibly give me help I would be much obliged.

Q. You said that you felt that there was trouble in your home?

A. When I knew my brother-in-law was not home.

Q. Is that what you said to the fireman, there was trouble in your home?

A. Yes.

Q. You did not say at that time, there is something likely to happen?

A. No.

Q. Or take place?
